

Saturday Panels:

Science Policy Panel – 2:30 – 3:30 PM

- Science and social responsibility
 - Better science to support public policy
 - Environmental policy in Eastern Europe
 - Strengthening links between science & policy
 - Private & public sector perspectives
- Mr. John Bohannon, Journalist based in Berlin
Dr. Russell Hall, US Geologic Survey, Florida*
Dr. Chad Briggs, California State University-Fullerton
Ms. Louise Shaxson, Policy consultant, United Kingdom
Dr. Terry Cooke, GC3 Strategy, Pennsylvania*

Science Education Panel: 4:00 – 5:15 PM

- Moderated by Ms. Jennifer Nupp, Fulbright Teacher Exchange Program, Washington, DC

Science & International Development Panel: 4:00 – 5:15 PM

- Teaching management in engineering schools
 - Intergenerational equity in Europe
 - Competitiveness shadowed by poverty
 - UN Millennium Development Goals
 - Making an environmental chemistry graduate program in Sri Lanka
- Dr. Larry Chasteen, University of Texas at Dallas, Texas
Dr. Steven Wisensale, University of Connecticut-Storrs
Dr. Vesna Karadzic, Faculty of Economics in Podgorica, Serbia & Montenegro
Dr. Anne-Christian Lamerz, Medizinische Hochschule Hannover
Dr. Robert Wei, Cleveland State University, Ohio

Sunday Panels:

Engineering & Science Research Panel: 1:30 – 2:45 PM

- Climate change in Northern Jordan
 - Catalytic desulfurization for cleaner fuel
 - Nanotechnology for new materials
 - Asphalt photodegradation
 - White light lasers
- Mr. Bernhard Lucke, Brandenburg University of Technology
Dr. Antonio Chica Lara, Valencia Polytechnic, Spain
Dr. Bert Stegemann, Hahn-Meitner-Institut, Berlin
Dr. Alfredo Torres, Researcher, Valladolid, Spain
Dr. Harald Giessen University of Stuttgart - 4th Physics Institute, Germany

Issues in Conducting & Protecting Innovation: 1:30 – 2:45 PM

- Managing R&D in the real world
 - Copyright, licenses, law
 - International investment & intellectual property
 - Business, research ethics & the law
- Dr. Mark Horn, Wyeth Consumer Healthcare, New Jersey
Dr. Michael Landau, Georgia State University, Georgia
Dr. John Wik, ip.Tech Transfer, Delaware*
Dr. Tom Gionis, American Board of Healthcare Law & Medicine, California

Medicine / Biology Panel: 3:15 – 4:30 PM

- Cultural competency in medicine
 - Virology & stem cell research
 - New applications of biotechnology for nutritional enhancement of plants
 - Health crisis in Iraq after the war
 - Stress appraisal and health of wage-working and non-wage-working women in Jordan
- Dr. Frank Hanchong Lee, Vanderbilt University, Tennessee
Ms. Catherine Brinkley, grantee at Gothenburg University, Sweden
Dr. Montaña Cámara, Universidad Complutense de Madrid, Spain
Dr. Laith Qassim Al Rubaiy, University of Basra, Iraq
Dr. Marianne Hattar, Azusa Pacific University, California

Internet & Education Panel: 3:15 – 4:30 PM

- Web-based computer interactive teaching
 - Web-based computer interactive teaching
 - Quality in E-learning
 - Accessible web sites
 - On-line virtual experiments
- Dr. Karl Reinhard, University of Nebraska – Lincoln, NE
Dr. Debra Meier, University of Nebraska - Lincoln, Nebraska
Dr. Susan Zvacek, University of Kansas, Kansas
Dr. Margaret Scheffelin, Visual Tutor Company, California
Dr. Rafael Vasquez, Florida State University Panama, Republic of Panama

Note: The order of presentations in a particular panel may be different from what is listed above.
The institutional affiliation is the home institution, not the institution that is their Fulbright host.

* indicates not a Fulbright grantee or alum

Poster Session:

Sunday, 5 March, 4:30-6:00

- Dr. Mihaela Albu.** Fulbright alumnus, USA. Universitatea "Politehnica" Bucuresti, Faculty of Electrical Engineering.
"Techniques and Equipment for Quality & Reliability of Electrical Power"
- Alaina Baker.** Fulbright grantee 2005, Germany: Göttingen.
"Chicken embryo as a potential model for Amyloid Beta peptide production"
- Dr. Sheri Carder.** Fulbright grantee 2005, Finland. Lake City Community College, Florida.
"Using Technology With At-Risk Students"
- Talya Dayton.** Fulbright grantee 2005, Italy: Università degli studi di Palermo.
"Chemical Composition of Frankincense and Olibanum"
- James DiGuglielmo.** Fulbright alumnus, Germany.
"Gravitational Wave Detectors"
- Jennifer Helgeson.** Fulbright grantee 2005, Norway: Norwegian University of Life Sciences.
"Effectiveness of U.S. Federal & State-Level Right-to-Know Toxic Use Reduction Legislation in the Printed Wire Board Industry: An Economic Assessment of Transparency in Environmental Protection Legislation."
- Valerie Kurth.** Fulbright grantee 2005, Sweden: Swedish University of Agricultural Sciences at Umeå.
"Preferential Nitrogen Uptake in Boreal Forest Ecosystems"
- Gigi Meyer.** Fulbright grantee 2005 Poland: University of Wrocław.
"Water Quality in the Odra River, Poland"
- Kristen Mitchell.** Fulbright grantee 2005 Denmark: University of Southern Denmark, Odense.
"Fractionation During Sulfate Reduction"
- Dr. Ralf Neurohr.** Techn.-Wiss. Büro Dr. Neurohr.
"Ultra-weak Luminescence as a Diagnostic Tool of High Sensitivity"
- Dr. Flynn Picardal.** Fulbright alumnus, Germany. Indiana University.
"Biogeochemical Interactions in the Transformation of Soil Pollutants"
- Adam Rush.** Fulbright 2005 Italy: European School for Advanced Studies in the Reduction of Seismic Risk, Pavia.
"Seismic Evaluation of Masonry Building Conglomerations"
- Leslie Vogt.** Fulbright 2005 Germany: Universität Augsburg.
"Characterizing Urban Aerosol Using Two-dimensional Gas Chromatography"
- Dr. Robert Wei.** Fulbright alumnus Sri Lanka. Professor at Cleveland State University.
"Occurrence and Distribution of Polycyclic Aromatic Hydrocarbons in Bolgoda and Beira Lakes, Sri Lanka"

Saturday morning tours:

- European School for Management & Technology – Europe's newest private graduate school.
Info: www.esmt.org
Schlossplatz 1 (8 minute walk from hotel)
- Charité Hospital – learn about the research conducted at one of Europe's leading teaching hospitals and visit the Museum of Medical History.
Info: www.charite.de/kompakt/english/p8.00_frame.html
Charitéstrasse (S-bahn to Friedrichstrasse, then 10 minute walk)
- Museum of Photography (Museum für Fotografie)
Jebensstrasse 2 (S-bahn to Berlin Zoo Station)
- Informal Walking Tour of the Former Capitol of the GDR (weather dependent)

Sunday morning tours

- ZDF.de – Technology & television, a tour of a TV studio (20 people max)
Info: www.ZDF.de (Germany's public TV station)
Zollernhof, Unter den Linden 36-38 (Bus 100, 200 or TXL to Friedrichstrasse stop)
- Pergamon Museum – visit the famous Elgin Marbles
Info: http://en.wikipedia.org/wiki/Pergamon_Museum
Museum Insel (8 minute walk from hotel)
- Berlin Zoo – world famous zoo.
(S-bahn to Berlin Zoo Station)
- Museum für Naturkunde – natural history museum – mineralogy, paleontology, zoology.
Info: www.museum.hu-berlin.de
Invalidenstrasse (S-bahn to Nordbahnhof, then 10 minute walk)

Fulbrighters in Science Conference Berlin, Germany – 3-5 March 2007

Friday, March 3

- 4:00 – 6:00 pm** **Early Conference Registration**
Location: Park Inn Hotel Lobby
- 5:30 – 9:00 pm** **Early Arrival Dinner**
Location: Brauhaus Mitte, Karl-Liebknecht-Str. 13
Meet at hotel at 5:30 or if you arrive late – come to the Brauhaus in the Berlin Carré
(a new shopping center on Alexanderplatz)

Saturday, March 4

- 7:30 am -** **Regular Conference Registration**
Location: Döblin Foyer, Park Inn Hotel (use glass elevator)
- 8:30 am – noon** **Tours – meet in lobby and go in separate groups (Note: some tours have a cost)**
- Noon – 1:00 pm** **Lunch (after the tours, in groups or on your own)**
- 1:00 – 2:15 pm** **Welcome & Keynote Speech**
Location: Saal Döblin I & II
- Science, Technology & Security Policy – Dr. Norman Neureiter, AAAS
 - Moderated by Eric Howard, Executive Director of FAST
- 1:00 – 9:00 pm** **Fulbright Stories: Collecting and telling stories about Fulbright experiences**
Location: Foyer of Conference Level
- 2:30 – 4:00 pm** **Discussion Panel on Science Policy**
Location: Saal Döblin I & II
- 4:30 – 5:15 pm** **Two Concurrent Panels**
Panel on Science, Education & International Development
Location: Saal Döblin I
Panel on Education & Teaching, with a focus on K-12
Location: Saal Döblin II
- 6:00 – 7:30 pm** **Dinner & Roundtable Discussions**
Location: Humboldt Restaurant, Park Inn Hotel
Table discussions on the following themes:
- | | |
|-----------------------------|--|
| Biotechnology | Interdisciplinary approaches to the future |
| Business development | Global & national Fulbright networks |
| University education reform | K-12 education |
| Fulbright stories | |
- 7:30 – 9:00 pm** **Two Keynote Presentations: Conservation of Art and Climate Change & Antarctica**
Location: Saal Döblin I & II
- Conserving Petra – Dr. Glenn Markow, Cincinnati Museum of Art
 - Antarctic Research & Climate Change – Dr. Tony Worby, University of Tasmania

Sunday, March 5

- 8:30 am – noon** **Tours – meet in lobby and go in separate groups (Note: some tours have a cost)**
- Noon – 1:00 pm** **Lunch (own your own after the tours)**
- 1:30 – 2:45 pm** **Two Concurrent Panels**
Panel on Engineering & Science Research
Location: Salon Einstein
Panel on Financing & Protecting Innovation
Location: Salon Ehrlich
- 3:00 – 4:30 pm** **Two Concurrent Panels**
Panel on Medicine & Biology
Location: Salon Einstein
Panel on Internet & Education
Location: Salon Ehrlich
- 4:30 – 6:30 pm** **Poster Session & Closing Reception**
Location: Foyer of Conference Level
(Participants may hang their posters starting at 2:30)
- 7:00 pm** **Welcome Dinner for the 52nd Annual Fulbright Berlin Seminar**
Location: Saal Döblin I & II

Lunch Ideas:

Quick Food:

Kaufhof deli, Alexanderplatz Train Station, Burger King

Restaurants/Cafes:

Still seeking recommendations ---

Conference Organizer & Sponsors:

This conference was organized by the Fulbright Academy of Science & Technology.

The Fulbright Academy is an independent, nonprofit, non-partisan, global organization established by alumni of the Fulbright Exchange Program.

Additional assistance for this conference came from the following institutions:

Alfred P. Sloan Foundation, American Association for the Advancement of Science, Boston University, Charité Hospital & the Berlin Museum of Medical History, Cincinnati Museum of Art, European School of Management & Technology, Fulbright Alumni eV., Fulbright Commission in Germany, Fulbright Commission in Italy, Fulbright Commission in Sweden, Fulbright Teacher Exchange Program, German Academic Exchange Service, Moroccan Fulbright Alumni Association, US Consulate-Jerusalem, US Embassy-Belgrade, and ZDF.de.
